

Assistant Professor Doctor

Assist. Prof. Dr. Sadeq Haleem Mohsion Al-Murshedi

Head of Department

Radiology Technology Department - Health and Medical Technologies

sadeq.almurshedi@alzahraa.edu.iq

Academic Degree

Academic Degree: PhD

Granting University: University of Salford/UK

General Specialization: Physics

Exact Specialization: Medical Physics

Research Interests

Optimization between medical image quality and radiation dose in radiographic imaging. Using physical and visual methods to evaluate medical image quality in clinical diagnosis. Characteristics of medical image display monitors and their impact on diagnostic performance. Radiation protection. Radiotherapy.
